

Federated RI Sportsmen's Clubs, Inc.

P.O. Box 9595

Warwick, RI 02889

www.frisc.net

Road Kill Program Requirements

Your club does not need to be a member of the Federated RI Sportsmen's Clubs, Inc., although we do ask that your club place the question of joining on the agenda of your monthly meeting for consideration. If you would like a representative from the Federated to attend one of your club's meetings, call the sitting President or e-mail www.frisc.net.

You must fill out a new form each year even if the same people from the previous year will be on the list. The reason for this is to keep the phone numbers up to date and to make sure the contacts are still members of your club.

Each club can have up to 6 names on the list which will allow coverage of all three zones. The Northern zone will be all areas north of Route 6. The Southern zone will be all areas south of Route 6. The Eastern zone will be all areas east of the Bay. Each club can pick the zone or any combination of zones for which they wish to be called.

If there are any changes with a contact person or a changed phone number you must fill out a new form. Your club delegate can get the form or the sitting President.

You must turn in the jaw bone of every deer received to the RI Division of Fish and Wildlife.
